# Mexico election 2024

Key Analysis

## LATIN AMERICA ECONOMICS UPDATE

### **Mexico's energy sector at a turning point?**

Mexican President-elect Claudia Sheinbaum's strong environmental credentials mean that a shift away from fossil fuels and towards renewables is likely during her tenure. We doubt that she'll fully...

## LATIN AMERICA RAPID RESPONSE

### **Mexico's Election Result**

The ruling Morena candidate, Claudia Sheinbaum, is on course to be declared the country's next (and first female) president after Sunday's election and the party's coalition also appears to be on...

## LATIN AMERICA ECONOMICS UPDATE

### **What would a Sheinbaum presidency mean for Mexico?**

A victory for Claudia Sheinbaum in Mexico's election on Sunday is likely to see a continuation of Amlo's generous social policies – which will also make Banxico's fight against inflation harder. The...

## LATIN AMERICA ECONOMICS UPDATE

### **How will Mexico's election affect nearshoring prospects?**

The policies of the Mexican presidential frontrunner, Claudia Sheinbaum, would provide a more supportive environment for the nearshoring of manufacturing supply chains. But we doubt that she'll carry...

LATIN AMERICA ECONOMICS WEEKLY

## Mexico's Pemex problem, Copom's politicisation

Comments from Mexican officials this week that the government could take some of Pemex's debts onto its own balance sheet would ease the firm's default risks. But it would come at the expense of a...

## LATIN AMERICA ECONOMICS UPDATE

### **Mexico: fiscal concerns return to the spotlight**

The Mexican government's pre-election spending spree means that the next administration will have its work cut out to put the country's public finances back onto a stable footing. Claudia Sheinbaum...

#### FX MARKETS UPDATE

### Weakness in the Mexican peso may have further to go

We think that the recent weakness in the Mexican peso was partly a symptom of stretched positioning. Given that risk premia still appear unusually low and the outlook for the “carry trade” is...

## LATIN AMERICA ECONOMICS UPDATE

### **Five key challenges for Mexico's next president**

The latest polls ahead of Mexico's election on 2nd June suggest that Claudia Sheinbaum, protégée of incumbent President Andrés Manuel López Obrador (Amlo), is likely to become the country's next...

**LATIN AMERICA ECONOMICS FOCUS**

## **What would Trump 2.0 mean for Mexico?**

The impact of a second Trump presidency on Mexico's economy would depend to a large extent on whether the USMCA deal remains intact or Mexico finds itself subject to US import tariffs. If the latter...

## LATIN AMERICA ECONOMICS WEEKLY

### **Sheinbaum's 100 commitments, inflation worries**

The recently-unveiled policy plans from Claudia Sheinbaum, the frontrunner to become Mexico's next president, are aimed at building on President López Obrador's legacy, but her proposals are likely to...

**LATIN AMERICA ECONOMICS UPDATE**

**Mexico: Amlo leaving public finances on a slippery slope**

Mexico’s President López Obrador’s cloak of fiscal prudence is being shed this year as Morena tries to bolster its support ahead of June’s election. As some of the factors supportive of the public...

LATIN AMERICA ECONOMICS UPDATE

## **Pemex debt fears back in the spotlight**

Moody's downgrade of Pemex at the end of last week reinforces the view we set out last year that the next government in Mexico will prove to be less supportive of the troubled state energy company...

## LATIN AMERICA ECONOMICS FOCUS

### **Mexico: will nearshoring live up to the hype?**

The optimism about Mexico's economic prospects from the "nearshoring" of supply chains looks overdone in our view. Sectors where Mexico is already well established, such as autos and some electronics...

## LATIN AMERICA ECONOMICS UPDATE

### **Few signs of a “nearshoring boom” in Mexico (yet)**

There’s little evidence in the investment and trade data so far to back up the commonly-cited narrative that Mexico is experiencing a “nearshoring” boom. The one sector where there are some signs of...
